Dear Mr. Meridth;

"Good Luck" to you, in your school work and all that you undertake..... is my Prayer for you and yours!

In case of interest... my skin is white, and I am of the Catholic Faith; which I was raised.... and was taught to "Love One Another" and I try hard to do this.... even those poor souls who are so against you or any of your people.... it's a sin and shame for them to instill "hate" into the hearts of their children, then wonder "Why" they carry on, such as we hear up here on our TV... against someone not of their "coloring" God Help them to think right and DO right, to any and all creatures created by God.... who must indeed at the moment, have a broken heart, seeing His children doing as they are...

So, like I said... I do wish you well and may God be with you from here on in"..... as the army would say" and you wore the uniform for all of us.... now, WE must be for YOU...

An interested Detrouiter!

"Searching for Peace too.....

"God grant to all peoples to Love and Understand peoples of all races..... J.M.J."

I sure hope no bodily harm comes to you... now or in the future.... and Heaven help those students who think otherwise... they sure need DECENT parents, to help them Understand!
